

Discover Sequoyah Regional Library System this National Library Card Sign-Up Month

This September, discover Sequoyah Regional Library System as we celebrate National Library Card Sign-Up month. We join libraries throughout Georgia, and the country, to encourage our community to discover the valuable resources available with a free public library card. From physical, digital, and audiobooks to puzzles, ukuleles, and sewing machines available for checkout, there's so much you can discover with a SRS library card.

To celebrate National Library Card Sign-Up Month 2024, Sequoyah Regional Library System has teamed up with multiple local businesses across Cherokee, Pickens, and Gilmer counties to provide new Discovery Passports to community members who sign up for or renew their library card during the month of September. Discovery Passports will include information about SRS library cards as well as discounts to local businesses through October 31.

“At Sequoyah Regional Library System, a library card offers incredible value,” shared Executive Director, Angela Cortellino. “We are continually evaluating the services we offer to be sure we offer the best for our community. A library card means access to technology, entertainment, lifelong learning, and a lot of fun.”

Participating organizations include Pie Bar in Woodstock, Nothing Bundt Cakes in Woodstock, Sweetys in Canton, Red Bean Harvest in Jasper, Pappas Pizza House in Jasper, and Hemlock Bazaar in Ellijay.

Existing SRS cardholders can show their library card to front desk staff at any SRS location to receive a Discovery Passport as well, while supplies last. Discovery Passports are limited to one per cardholder. Each discount can only be used once.

During September, the library will host Library Card Sign-up activities such as Sequoyah Story Survey Stations, which provide community members the opportunity to share their positive library experiences for the chance to win one month of reserved study room access. Sequoyah Stories can also be submitted online by visiting www.SequoyahRegionalLibrary.org/Contact
