

# Winter Literacy and Holiday Happenings at SRLS

Sequoyah Regional Library System is excited to announce Winter Literacy 2024: Snow Place Like the Library. Each year, the SRLS Winter Literacy initiative encourages continued reading and community engagement throughout the winter break. From December 1 through January 31, community members can participate in an all-ages reading challenge for the chance to win prizes.

SRLS will be hosting multiple holiday events and programs at each of its libraries for community members to attend at no cost, including the annual Holiday Open Houses. Holiday Open Houses feature a meet and greet with Santa, local performances and visits, and more.
