Employment: Sequoyah Regional Library System does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: Sequoyah Regional Library System will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in Sequoyah Regional Library System programs, services, and activities, including qualified sign language interpreters, documents in braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: Sequoyah Regional Library System will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in Sequoyah Regional Library System's locations even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of Sequoyah Regional Library System, should contact the office of the Deputy Director at administration@seqlib.org or 770-479-3090 as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the Sequoyah Regional Library System to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of Sequoyah Regional Library System is not accessible to persons with disabilities should be directed to the Deputy Director at administration@seqlib.org or 770-479-3090.

Sequoyah Regional Library System will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
